G-MAN TALKS AT WTSU

The Washington Office of the FBI houses fingerprint identifications of more than 82 million persons, of whom about 17 million are or have been criminals, about 50 students at West Texas State University were

told Monday night.

Telephone Change Wednesday

Canyon residents will be able to call Amarillo telephone numbers without long distance charge and will have direct distance dialing beginning at 12:01 a.m. Tuesday.

Final preparations were being completed this week by officials of Bell Telephone Co. for the improvements.

In addition to direct distance dialing and the Canyon-Amarillo system, Canyon residents will also have seven digit telephone numbers, a change from the familiar two-letter, five-digit numbers. New numbers will also be initiated for repair service--4102-- and information--411.

Bob Tarbet, manager for the telephone company said "with DDD, Canyon customers can reach almost any telephone number in the U. S. by dialing only 11 digits." The digits include one access digit to the DDD network, the area code and the seven-digit phone number.

"Calls placed to other telephones within the 806 area code will be even easier," Tarbet said. "Only an access digit and the seven-digit telephone number will be dialed."

The prefix change, from OLIVE 5 to 655, will not involve a dialing change for Canyon customers. The last four digits of the numbers will also remain unchanged.

Holiday Observed

A number of local merchants will be closed today, Thanksgiving Day, and reopen for regular business hours on Friday, according to Roland Black, manager of the Chamber of Commerce.

Offices of the Randall County Courthouse, City Hall and the US Post Office will be closed as will the banks in Canyon.

Schools will be closed until Monday when classes will resume for both West Texas State University and the Canyon Independent School District.

Canyon Girl Is Selected Queen

Janice Allen, 17-year-old daughter of Mr. and Mrs. R. B. Allen, is the new queen of the American Association of Sheriffs Poses and Riding Clubs and two Canyon men are new national officers.

The annual national convention of the organization was held Friday, Saturday and Sunday in Lawton, Oklahoma.

Clark Jarnagin, a Canyon businessman and former West Texas State University football coach, was named the first executive director of the association.

Jarnagin who is the outgoing president of the association, will assume duties as executive

Christmas In Canyon

Christmas lights will go on in downtown Canyon Monday night and Santa Claus will make his first visit.

Downtown merchants will decorate the courthouse with lights and the individual stores will also be decorated for Christmas.

Santa Claus will be on the east side of the courthouse at 8:15 p.m. Monday.

The downtown stores will be open until 8 p.m. and residents may register for five free turkeys from 5:30 to 8 p.m. in the stores with no purchase necessary.

A drawing will be held for the turkeys at 8:15 p.m. on the east side of the courthouse. Residents must be present to win, according to Clarence Eugene Thompson.

The merchants in Palo Duro Village are planning to have Santa Claus visit. Ernie Christian said that plans would be made after Thanksgiving.

DOT Given 87 By-Pass Plans

A preliminary plan for by-passing Canyon with an interstate highway has been submitted to the Department of Transportation, according to Chili Smith, district engineer for the Texas Highway Department.

Smith said a decision on the plan is expected some time around Dec. 20.

The plan is a partial result of a meeting in late October in Lubbock of top-level state and federal officials.

The meeting was called to discuss the possibility of designating U. S. 87 an interstate highway. No control devices or

cross roads can be placed on interstate highways.

Smith said a definite plan has not been settled on yet. "The Federal Aid Highway Act of 1968 provided for 1,600 miles of additional interstate highway throughout the country," Smith said. "We just had to work up this plan for an estimate to submit to the government."

Under the plan submitted, U. S. 87 would be routed east about 3/4 of a mile south of Rockwell Road. It would swing east to Buffalo Bowl and finally across Texas 217, just

WT Rejects Bowl Bid

West Texas State University has refused to accept a bowl bid for a post-season game at the Pasadena Classic, formerly the Junior Rose Bowl in Pasadena, Calif.

The university accepted the bid last week on the stipulation that a suitable opponent be found.

Announcement of the bid rejection came Sunday following the announcement by the Air Force Academy, a prime choice for Buff opponent in the bowl, that it would not play in a post-season game.

The Buffs went to the Junior Rose Bowl last year and beat San Fernando State College 35-13.

Chamber Balloting Under Way

Balloting is in progress for the election of four new directors of the Chamber of Commerce.

This information came Monday night at a regular meeting of the Chamber board.

On the ballot this year are Gerald Warwick, Ernie Christian, Wayne Wirt, Ralph Mar-din, Dr. Willis Harrison, Jim Christopher, Dick Dawdy and Dr. Kenneth Laycock.

Retiring board members are Dr. Burwell Southern, Charles Brasher, Charles Allen and Gene McGlasson.

Chamber Manager Roland Black said the annual membership breakfast will be held at 7 o'clock Monday in the Gold Room of the West Texas State University Cafeteria.

The Chamber presently has a membership of about 175 with an annual budget of about \$10,000.

High School Activities

Activities at Canyon High School next week will include a band audition, choir concert, an assembly and an FFA contest.

At 1:30 p.m. Monday, students will attend an assembly featuring the West Texas State University Choral under the direction of Dr. Houston Bright.

At 4 p.m. Monday, about 15 members of the Canyon High School band will participate in tryouts for the All-Region Band at Tascosa High School in Amarillo. The band will be made up of outstanding students from the area.

The All-Region choir which has several members from the Canyon High School Choir will have rehearsals and a concert Friday and Saturday at Dumas.

The Future Farmers of America at CHS will attend an Area Leadership Contest at Plainview High School Saturday. The contest will begin at 8 a.m.

Will Be Available For Omnibus Cash

Randall County commissioners Monday voted to "keep the door open" to participation in the state's share of funds under the federal Omnibus Crime Bill.

Commissioner Bill Butler said about \$830,000 has been designated for Texas to shore up law enforcement and the Amarillo area's portion is about \$10,000.

Judge Carroll Brown said he received a letter from Amarillo city manager John Stiff saying that Amarillo city government has been designated as administrator for this area.

This was in contradiction to a statement made Monday by Amarillo Mayor J. Ernest Stroud who said no decision on administering the fund had yet been made.

"We've just voted to have our name on the list that we are interested," said Commissioner B. R. Jones.

Randall County Criminal District Attorney George Dowlen read excerpts from the bill, some of which he told the court he does not understand.

He said \$300,000,000 has been allocated to fund the bill over the next five years and will be meted out to states which in turn will make 40 percent of what they receive available to local law enforcement agencies.

Dowlen said the bill is actually pointed toward organized crime and money made available to local law enforcement will be used in improving education and communications.

The bill also calls for local police service officers. The district attorney said this por-

tion of the bill is not spelled out to his satisfaction.

Racial imbalance in police departments may not be used as a point in denying funds, Dowlen declared.

"I appreciate this," he said. Under the bill each area requesting funds must draw up a plan. This will be submitted to the state and the state in turn must produce a master plan to be submitted to the federal government.

"The money is going to be spent whether we take it or not," Butler declared.

CH Eagles Select Captains

Three team captains were named by the Canyon Eagle football team this week.

Tommy Tucker, a senior linebacker, was elected overall captain.

Andy Hansen, a defensive end, was elected defensive captain, and Dave Thompson, an offense halfback, was named offense captain.

"These boys were elected by team mates and it is a high honor," said Coach Dunny Goode. "They were elected for performance and contribution to the team."

Goode said three Eagles were selected to the all-district team but names of the team will not be announced until after play-off games.

BUFFS OPEN SATURDAY

West Texas State opens its 1968-69 basketball campaign in Amarillo's new Civic Arena Saturday night against Weber State, Ogden, Utah, defending Big Sky Conference champion.

Boasting five returning lettermen, Weber State will be led by 6-foot-1 senior Justus Thigpen. Thigpen, back from the Wildcats' NCAA playoff team last season, averaged 16.4 points per game a year ago. He was named an All-Conference guard.

Team captain Larry Bergh, 6-foot-7, is the only other returning starter for the Wildcats. Bergh, a senior forward, averaged 10 points per game and was strong on the boards with a 7.1 rebound average.

Also expected to start for the Wildcats are 6-foot-6 forward Gary Strong, 6-foot-3 guard Richard Neilsen and 6-foot-2

redshirt guard Paul Westbrook.

Coached by Phil Johnson, Weber will bring a 21-6 season record from last year into the contest. As the Wildcat head mentor, Johnson is facing his first assignment as a college coach.

Weber's man-for-man defense will be challenged by four starters from last season's 10-11 Buffalo squad.

Simmie Hill, 6-foot-6 All-American candidate from Midland, Pa., will head West Texas' offense.

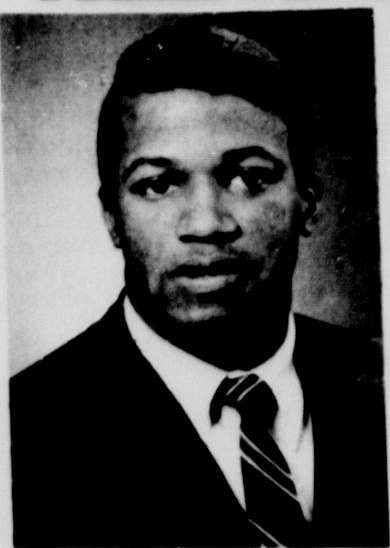

During the 1967-68 season, Hill scored more than 20 points in 11 games, 30 points or better in seven contests and hit a season high of 42 against Centenary. His low scoring marks for the season were two 19-point efforts against seventh ranked New Mexico State and the University of Texas at El Paso.

Hill, who closed last season with a 27.3 scoring average, established a new record for West Texas with 573 points. The old scoring record was 520 points set by former Buffalo All-American Price Brookfield (See BUDDS, Page 11)

Basketball Boosters Set First Meeting

The first scheduled meeting of the Canyon Eagle Booster Club for the basketball season will be held at the Canyon High School cafeteria Wednesday at 7:45 p.m.

Tom Keeling, Booster president, stated that "a time for the meetings has been difficult to decide upon due to games on all nights except Wednesday and (See BOOSTERS, Page 11)

NEA selection and made the UPI second team.

Morris set a new NCAA single game rushing mark with 340 yards in the Montana State game.

As usual, Morris had nice things to say about his associates as he was named to the dream team second squad. "I'm glad I had the oppor-

tunity to play with such a great ball club," he said of his teammates with whom he played to an 8-2 season.

"I want to take this opportunity to publicly thank Coach Joe Kerbel for staying with me all these years."

"We had a good season this year and I feel good about it," Mercury said he leans toward Dallas as the team with which he would like to play professional football.

"The Dallas Cowboys have the same type of offense as the Buffaloes," he explained. "It really doesn't matter who I play for. I just don't want to get my hopes up to play for one team and then get drafted by another team."

Morris says he has been contacted by all 26 pro teams. "We won't know until January," he said.

In the meantime, Mercury will play in the Shrine game in Miami Christmas Day and in the All-American Bowl Jan. 4 in Tampa.

Mentioned For Heisman

MORRIS ALL-AMERICAN

Eugene "Mercury" Morris was named to the second All-America team this week by both United Press International and Newspaper Enterprises Association.

He also received an undisclosed number of votes for the coveted Heisman trophy.

Morris has played for West Texas State University three years and this year established three NCAA records.

He broke the NCAA rushing record for a single season by bringing his total this year to 1,571 yards but this record was cracked last Saturday by O. J. Simpson, Southern California back who was named to the first team by both UPI and NEA.

He brought his career total to 3,388 this year for another NCAA mark--a record that has a good chance of standing for some time.

Only two backs in the nation have even an outside chance of breaking it. They are Simpson and Chris Gilbert of Texas. Gilbert was a first team

FROM THE CANYON RIM

A bank account has been opened at West Texas State Bank for the LaCasa TV Fund.

So far \$60 has come in and there is promise of more.

Hardly had last week's paper hit the street when people began calling wanting to know how they could contribute. Two West Texas State University professors were first to call.

I couldn't accept contributions until suitable arrangements could be made. A man walked up to me at the Eagle basketball game Tuesday night and handed me \$10 for the fund.

Anyone wishing to give toward the set may take or send checks or cash to LaCasa Canyon TV Fund, West Texas State Bank.

As soon as money is available, one of the finest color TV sets manufactured will be purchased and installed at LaCasa Canyon.

I hope we can get it in by Christmas.

Sandy Buttrill wants to deliver the 30 special Christmas Cards to Canyon boys in Vietnam in person.

Darned if I don't think she's going to swing it.

Last month she got the idea to prepare special cards on parchment and have Canyon people sign them. She enlisted the aid of Dr. Emilio Caballero, head of the West Texas State University Art Department to do the art work.

The cards have been prepared and signed.

Then Sandy hit on the idea of delivering them in person. Within two days she had The Canyon News, Bob Watson of KGNC-TV, the US Army Recruiting Station public information service, Congressman Bob Price and several people in the Pentagon working in her behalf.

Wednesday she unfolded her plan to two television audiences.

She wants to make the trip either as a guest of the US Army or with the Bob Hope Christmas Show. Her husband,

Randy, is one of the servicemen for whom one of the Christmas cards is intended.

Sandy has complete faith that she will be allowed to go. She has so much faith that as of Wednesday she had picked up forms to apply for her passport and had begun taking her shots for going abroad.

Randall County commissioners are currently discussing participation in funds for local police provided under the federal omnibus crime bill.

Two of the primary reasons given for need of participation is that the money could be used to provide better communication among departments and better training.

Let's take the training first. Most municipalities of any size maintain police training schools. I'm sure that smaller towns could make use of these training schools in the larger cities if they care to do so.

As for communications, as an old police reporter I find this a joke.

There is better communication between a pair of Boy Scout troops using the semaphore system than there is among most law enforcement agencies with sophisticated equipment.

The reason is simply inter-departmental jealousy. I've even known competing enforcement agencies to turn each other's prisoners loose.

In spite of all this, we have some pretty good law enforcement people in this country of ours.

It's not sorry law enforcement personnel that has allowed crime to run rampant. Most of the blame can be shifted to codding courts and permissive, irresponsible leadership and the people who drew the so-called omnibus crime bill know this as well as I do.

The statement that federal aid to local police will not bring eventual control is just as big a lie as the one told us in

the early days of federal aid to education. We heard the same siren song then.

If you don't believe the federal government has its hand in the operation of your local school system, just ask any school superintendent or college president.

We are stuck with the provisions of the bill, however. The money will be used and eventually the controls will come whether Canyon and Randall County take the money now or not.

A member of the West Texas State University faculty complained to me only last week that I am too hard on the Students for a Democratic Society.

"They deserve to be represented on the campus too," she said. "It won't hurt us to hear what they have to say."

My answer to this is that the SDS seeks to overthrow what they refer to as the establishment--the established order, the United States government.

If the SDS deserves to be looked upon as a respectable group worthy of representation on our campuses, then so does the Mafia.

Congratulations to Mercury Morris. As far as I could learn Wednesday he is the only West Texas State athlete to receive any votes for the Heisman trophy.

He got his berth on the dream team even if it was on the second string.

Remember, it probably takes more ability to make the second team from a smaller school than it would to make the first team as a player for a university such as Notre Dame or Texas University.

When I interviewed Mercury this week, he was quick to give teammates and Coach Joe Kerbel their share of credit for his success on the gridiron.

Mouth's Role Discussed By Cancer Group

"The mouth, a most important organ for living, may be the location of a deadly enemy," warned Dr. John Whinnery, oral surgeon of Amarillo, as he addressed the Randall County chapter of the American Cancer Society at a recent luncheon meeting.

"Lumps or white patches on the lips or in the mouth, on the gums, or the tongue, may be potential cancer," he stated. He stressed the importance of early detection and avoidance of cancer causing irritants, such as smoking and over-exposure to the sun's rays. Loose teeth or unusual swelling are also danger symptoms needing immediate examination by a doctor, he concluded.

Advance and memorial gifts may be sent to the treasurer, David West, at the First National Bank.

Present for the meeting were Jack Cromartie, district representative; Joe Gidden, local president; and Miss Ruth Cross, Mrs. James M. White, Mrs. Tom Foster, Mrs. John Jennings, Mrs. Gene McGlasson, Mrs. R. A. Neblett, Mrs. Mary Sligar, Mrs. Marion Higdon, Dr. and Mrs. Joseph Findley, Dr. Willis Harrison, Dr. Hiram T. Carr, Charles Wright, Larry Hooper, Dr. Paige Carruth, Dr. Leta Boswell, Jerry LaGrone, Mitchell Jones, and Dr. Thomas Mcowan.

First Aid Is Program

A program on "first aid" was given at the regular meeting of Boy Scout Troop 197 Monday night.

Ben Richardson showed new members the first aid knots and the older members helped with advancement for the new members.

Active members include Roy Luna, Ben Richardson, Paul and Ross Griffin, Cliff and Stan Prichard, David Fite, J. Collins, scoutmaster, and H. Feese, assistant scoutmaster.

Letter To The Editor

Dear Sir:

It has amazed me lately how events in my hometown are gradually causing it to emerge into the real and complicated world of today. Racial problems, dissent, and drugs are finally, although just barely, appearing on the scene. Yet the attitudes of your paper remain the same.

Socrates said that the unexamined life is meaningless, and his statement is probably applicable to your newspaper. I think that we should examine the attitudes expressed in your newspaper, and therefore I would like to ask a few important questions.

You are still fond of blaming all our nation's problems on a group of fantastically diabolical people called Communists. According to Ann Brown in the November 14th issue, these people killed John Kennedy, Martin Luther King, and Robert Kennedy so that their martyrdom would ease the passage of their apparently Communist-inspired programs. Among these is gun control legislation. She seems to think that this is obvious and requires no proof.

It isn't obvious to me. Only Oswald had any kind of known Communist connections. And though he did have vague "Communist" connection, why is it so readily assumed that he specifically was a Communist agent? Why would such ingenious devils as the Communists actually try to use such an obviously incompetent man? Or if for some reason they really wanted an incompetent man, why did they pick one that already had known connections with them? As for Dr. King, why isn't it just as likely that the white racists in America (they really do exist) who have attempted to kill him before finally succeeded? Why is it assumed that Sirhan was a Communist just because he was from an Arab nation? Is it because the Arabs get guns from the Russians and Sirhan had a gun?

In fact, is Communism our only source of trouble and woe? Can it be that there were no problems before Karl Marx? Your answer to these questions seems to be yes. My answer is no.

American democracy should not be simply anti-Communism. It should go much deeper than just not being everything that our chosen enemy seems to be. America has problems that arise not out of conflict with Russians, but out of conflicts among ourselves and in our own minds. To blame everything on a "Communist conspiracy" just puts problems neatly into a wastebasket where the Negroes, the poor, and the rights of Americans can be forgotten because they are Communist. This way we can

Canyon's History For Newcomer Club

The history of Canyon will be reviewed by Mrs. Clyde Warwick as a program for the newly formed Welcome Wagon Club of Canyon in a meeting next Thursday.

The meeting, which begins at 7:30 p.m., will be held at the Christian-Presbyterian Student Center, 2320 Fourth Avenue.

The meeting is open to all members and husbands and prospective members of the club. Refreshments will conclude the meeting.

Alvin Morris Is Promoted

Alvin B. Morris has recently been promoted from Captain to Major with the United States Army in Vietnam.

Morris, son of Mr. and Mrs. Ed Morris of Canyon, returned to Vietnam in July to begin his third tour of duty there. He is stationed near Da Nang with the Ninth Division.

His wife, Lynn, is residing in Chicago, Illinois.

Our World

BY ANN BROWN

How refreshing to hear a positive note sounded in our miasma of race relations: Richard Nixon favors the promotion of Black Capitalism.

The only people who oppose capitalism are the ones who have no capital. The recognition of this fact is the excuse the leftists offer for our various give-away programs.

But capitalism, like respect, cannot be given; it must be earned.

Regardless of the size of

the allowance parents give their children, it usually becomes spending money. But when a child works and earns his own money, he usually saves a portion of it. And normal people who save money usually want to invest it; then it becomes capital.

In all recorded history, the basic difference between the black and white races has not been the color of their skins.

The black people lived in the most favorable environment. Food grew on trees, or scampers through the bush; clothes were unnecessary; very little shelter was needed, and building materials were free for the taking. The women did most of the work there was to be done, leaving the men free to hunt and fight. Consequently, the men became skilled hunters and clever warriors. The tribes had little to do but to sing and to dance, and to laugh and to play.

About the only natural enemies the Africans had were wild animals and disease. If a savage beast endangered the tribe, he was hunted down and destroyed; but since they took a rather fatalistic attitude toward disease, about the only defense they sought was the local witch doctor.

However, Caucasians have lived in a hostile environment. It took constant labor, conservation, vision, and ingenuity for survival. The winters were long and severe; the family that did not provide food, shelter, and fuel for the long, hard winter was not likely to survive.

This vastly different frame of reference has given the two races a radically divergent sense of values.

There are, of course, many individuals in both races who do not fit the stereotype; but, as a rule, Negroes see Whites as grasping and exploitive; and Whites see Negroes as childish

and irresponsible. Certainly it is debatable which race has the more realistic and rewarding approach to life in our present environment, but one fact is clear: If Negroes expect to have nice homes, good clothes, fine cars, TV sets, and other luxuries, they will have to work and save their money just like the white "capitalists" do.

Capitalistic free enterprise is the only constructive, realistic economic system for civil-

ized, free people. Welfare or any kind of handout for able-bodied people is crippling and destructive.

But man is always prone to think the grass is greener on the other side of the fence. Communist Russia is taking stern measures to stamp out capitalism; and capitalistic America is being increasingly threatened by creeping Communism. The promotion of Black Capitalism could mean the salvation of our country as well as our economy.

WT Committees Will Include Students, Faculty

Dr. Walter Juniper, academic vice president of West Texas State University, presented a plan Monday which would initiate the formation of faculty and student committees in the university's departments.

Dr. Juniper told members of the WTSU Student Senate that senior majors and minors would be asked to join committees to study curriculum within each department.

The Student Senate agreed to support Dr. Juniper's plan. Senators also approved the charter of the Young Democrats, a campus political organization.

Boyce Heads Riding Club

Marion Boyce was elected president of the Buffalo Riding Club at a recent session.

Other officers elected were Jim O'Rand and James Lamb, vice presidents; Phyllis Bond, secretary; Charlene Friemel, treasurer; and Leroy Lamb and C. D. Gressett were named executive committeemen.

The riding club will continue to practice at the arena of the club on Sunday afternoons, when weather permits.

Next business meeting will be December 8 at 2 p.m. at the clubhouse.

SAC Members Will Attend La. Convention

Officers and committee chairmen of the Student Activities Council at West Texas State University will attend the three-day Region 12 Association of College Unions convention Dec. 5-7 in New Orleans.

Fifteen members will make the trip to Louisiana State University for the convention.

The region includes Texas, Louisiana and Arkansas and will feature workshops dealing with various student union activities.

Investiture for a new troop of Brownie Scouts was held Monday. Troop members are, front row from left, Julie Lynn Clifton, Jan Park, Melody Prichard, Pam Bagwell, Angela Morris, Kelley West, Judy Acker and Teresa Galloway; back row from left, Wendy Thom-

pson, Linda Plain, Sandy Warwick, Kay Lynn Counsellor, Tammy Kelley, Cynthia Brashears, Mindy Simon and Cathy Mezzell. Troop leader is Mrs. D. R. Park. Assistant leader is Mrs. E. F. Hadley.

Cleta 4-Hers Have Supper

Cleta 4-H Club held a Thanksgiving supper Saturday evening at the Richmond Hales home. Roger Gist gave the invocation blessing.

The meal was concluded with a brief business session directed by Billy Dugan, president, and various committee meetings as well as a film "Routes of Happiness".

Special guests were Leo Rigles, the club's sponsored student, and Mr. and Mrs. John Brazzil and Connie.

Members attending were Jer-

ry Crain, Roger and Kathy Gist, Randy, Billy and Ricky Dugan, Rhonda and Rod Hales, Sharon, Mike and David Henders, Cindy and Gary Kuhlman and Terry and Gary Reynolds.

Parents attending were Mr. and Mrs. Louis Henders, Mr. and Mrs. Herbert Kuhlman, Mr. and Mrs. Earl Reynolds, Mr. and Mrs. Crister Crain, Mr. and Mrs. R. B. Gist and Robert, Mrs. Bill Dugan and Mr. and Mrs. Richmond Hales.

WT To Host Free Movie

The Student Activities Council at West Texas State University will sponsor a free movie, "Dr. Strangelove," at 7:30 p.m. Wednesday in the Student Union Building ballroom.

The film stars Peter Sellers as the President of the United States.

WT Catalogue Lists Academic Grade Change

A change in the 1969-70 catalog, which will affect the academic standards at West Texas State University, has been announced by Dr. Walter Juniper, academic vice president.

According to the rule change, a student must pass, with a C average, nine semester hours each term.

The catalog now states that a student must complete nine hours with a passing grade, which is currently a D average. Students who do not complete nine hours with a C average, will be placed on academic probation, the change states.

If less than nine hours are taken, all must be passed with a C average.

Miss Burk Home For Holidays

Janie Burk, graduate student in the school of librarianship at Kansas State in Emporia, Kansas, arrived in Canyon Tuesday to spend the holidays with her mother, Mrs. Otis E. Burk.

Also visiting in the Burk home during the holidays are Mrs. Burk's brother, Mason Anderson and two sons, Ron and Bond, of Colorado Springs, Colorado.

The group will visit during the week end with a sister, Mr. and Mrs. Roy Bivens in Tulia, and a brother, Mr. and Mrs. Bill Anderson of Lamesa.

Visiting in the Carl Miller home Tuesday evening was her brother, Sgt. James P. Long, and wife, Merrel, of Norman, Oklahoma.

Happy Club Has Guest

Woman's Study Club of Happy met Tuesday, November 19, at the E. L. Allison home with Mrs. Reed McDonald serving as co-hostess.

"Let Freedom Reign To Respect Law" was the theme for the meeting as Randall County Sheriff, L. S. Johnston, spoke on civil discipline, freedom and responsibility of the citizen. His program was introduced by public affairs chairman, Mrs. A. C. Miller, and concluded with a question-answer period.

The meeting was called to order by the president, Mrs. Dick Railsback, and roll call was answered by seventeen members and one guest.

During the business session, the club voted to conduct a baked goods sale on December 7 at 8:30 a.m. in Sexton's Grocery. The club also voted to donate money to the shrubbery project at Girlstown.

Next meeting of the club will be December 3 in the home of Mrs. Simon Elliott.

FHA Award Given Mary Ann Lindsey

Mary Ann Lindsey was named outstanding junior high homemaker student for 1968.

Miss Lindsey, daughter of Mr. and Mrs. Paul Lindsey, was awarded the Crisco trophy for her outstanding work in home economics Tuesday at a meeting of the CJHS Future Homemakers of America.

A sophomore at Canyon High School, the gold trophy was presented by homemaking teacher, Nadene Lyles, who congratulated her on the excellence shown in the work of Homemaking I and said that she felt certain her achievements in home economics would be an inspiration to other students.

Nicci Johnston called the business meeting to order. The chapter's Christmas party will be a tea for members and their mothers at the John Currie home at Lake Tanglewood December 14 at 3 p.m.

Kris Tucker and Marilyn Read led the group singing.

Program for the afternoon was a style show presented by McDonald's and narrated by Nadene Lyles. Modeling were Sandra Westfall, Nicci Johnston, Gail Thompson, Carla Lee and Kathy Gist.

Refreshments of spiced tea and donuts were served at the conclusion of the meeting.

MARY ANN LINDSEY, left, was presented with a Crisco trophy in ceremonies Tuesday afternoon at Canyon Junior High School for the CJHS chapter of Future Homemakers of America. Making the presentation was Mrs. Nadene Lyles, home economics instructor.

Postal Deadlines For Yule Mailings

"Some Christmas mailing deadlines have already passed and others are approaching fast," stated Canyon Postmaster Lee Roy Moreland, reminding residents to mail early.

New postal laws have eliminated the lower rate for greeting cards weighing an ounce or less, therefore, all "regular" Christmas cards will be mailed at the six cent rate this year.

All domestic gift parcels for distant states should be mailed before December 2, while those for local areas should be mailed no later than December 14.

Greeting cards for distant states should be mailed not later than December 11, and those for local delivery not later than December 16.

Suggested deadlines for Christmas gifts to servicemen stationed in foreign countries are: Parcel Air Lift (PAL), November 30 and Airmail, December 11.

Letter size mail will receive about the same service as during non-peak periods. "Last Christmas, the armed forces in Vietnam received the equivalent of about 50 pounds of mail per man during the holiday rush, and we expect more this year," Postmaster Moreland said.

The Post Office in Canyon urges all mailers to start to plan for their holiday mailings now and to be "Early Bird" mailers. The postal service can handle the unusually heavy load of mail expected this year, if the mailing public will give us a hand by depositing their cards and pack-

Floral Arranging Topic Of CSC Meeting

Canyon Study Club met at HR's Flowers and Gifts last Tuesday for a program on "Floral Arranging" by H. R. Fulton, florist.

The holiday approach was used as a Thanksgiving centerpiece featuring autumn colored mums, pompoms, artificial nuts, oak leaves and fresh greenery were used.

For Christmas, Fulton showed combinations of fresh flowers, tree ornaments, candles and greenery and for the "velvet look" he used flocked foliage and fruit in arrangements with matching candles.

He made an arrangement out of the new Christmas colors of hot pink using candles, flocked fruit and foliage and he also placed instant candle wax pellets in a tall goblet with decorated stem featuring garlands of holly.

The program was concluded with a large centerpiece of holly and flocked multicolored fruit being arranged around a green candle for the holidays.

Following the program, the club dismissed to the home of Mrs. Bob Neeb for a business meeting with Mrs. Dick Dawdy and Mrs. Willis Harrison as co-hostesses.

The collect and pledge were given and minutes of the last meeting were given by Mrs. Bob Neeb. A fine arts report on the American beauty rose was given by Mrs. Paul Davis and Mrs. Weyman Brown gave a federation report urging donations to the "Big Thicket" and

consideration by the club of donating a book on the project to the library.

Five new members were voted into the membership including Mrs. John O'Connor, Mrs. Bill Gardner, Mrs. Fred Begett, Mrs. Philip Langen and Mrs. David Patterson.

Attending were Mesdames Lynn Blewitt, Charles Brasher, Weyman Brown, Walter Cranmer, Dick Dawdy, Duane Guy, Lee Harrington, Larry Hooper, David Hunt, Jack Jones, Max McCulloch, Bob Neeb, Don Ray, Johnny Raymond, Ronald Taylor, Don Max Vars, Bob Phillips, Donald Cates, Frank Castleberry, Durwood Henderson, Charles Boston, Paul Davis, Willis Harrison, B.B. Kendrick, Walt Shelly and Darrell Munsell.

Pleasantview Has Luncheon

Pleasantview Home Demonstration Club met recently for a Thanksgiving luncheon at the Farm Bureau Building with Mrs. H. M. Stokes as hostess.

The buffet table featured a Thanksgiving theme with pumpkin and fruit arrangement for decorations. Twenty-one members and three guests attended.

The luncheon was concluded with a program on "Easy Entertaining" by the home demonstration agent, Mrs. Becky Hall.

Next meeting for the club will be a Christmas club tea and exchange of secret pal gifts at the home of Mrs. John Jennings, December 11, at 2 p.m.

CANYON STUDY CLUB members, Mrs. David Hunt, left, and Mrs. Bobby Phillips are shown with H. R. Fulton, local florist, who presented a program on "Floral Arranging" for the local club last week.

WORSHIP KNOWS NO CALENDAR

Some select Sunday as a day of worship. Others prefer Friday or Saturday. But the solace of worship knows no boundaries—temporal or spatial.

Some find their God in church. Others see him in a spring sunrise, or in a fresh-mown meadow at dusk. Children oft find peace in an evening prayer.

Each seeks peace in his own way. All place their trust in a Supreme Being and worship as conscience dictates.

Why not join them? You, too, can find solace and guidance in prayer.

MODELING WARDROBE FASHIONS for an in-service program by Simplicity Pattern Company at Canyon High School Friday morning were, from left, Vickie Starkey, Shirley Evers, Pam

Richardson, Jeauritta Honea, Connie Ormsby, Barbara Seymour, Kay Smith and Patricia Burrus.

Attorney's Topic "Way Of Wills"

Elton E. Cox, attorney, addressed the Tierra Blanca chapter of the National Secretaries Association at a regular meeting last Thursday evening in the First National Room.

"Where There's A Will, There's A Way" was the topic as Cox pointed out to the group that "when a person dies without a will, the law takes over, disposing of the earthly possessions as it sees fit—perhaps not according to the deceased person's wishes."

Cox discussed and defined community and separate property as well as real and personal property and presented

a chart showing the manner in which each type of property passes under the Texas laws of descent and distribution. He also explained how state inheritance and federal estate taxes are computed.

He listed the advantages of having a will and discussed the procedure followed by an attorney in probating a will and compared this procedure with the administration of an estate where there was no will.

Cox cautioned the group to see their own attorneys about their individual problems "because each case should be carefully worked out based on the facts of that particular case."

Guests were Mesdames Margaret Ruthart, Judy Mann, Betty Brown, Sandy Buttrill, Lowann Singleton, Bea Glanton and Florence Lassiter.

Hostesses for the meeting were Shirley Donnell and Dorothy Gatten.

Friendship Club Meets

The Friendship Club met last week at Wyatt's Cafeteria in Amarillo for a Thanksgiving luncheon.

Mrs. Flynn Winters was hostess for the session.

The luncheon was concluded with a business meeting during which plans were discussed for a Christmas party to be held December 14 at 2:30 p.m. in the home of Mrs. Leonard Winters.

Members attending were Mesdames Tony Simon, George Colling, Leonard Winters, Charlie Winters, Jim Rankin, John Dietz, Clarence Winters and a guest, Mrs. Charlie Hill.

Bridge Club Has Meeting

1925 Bridge Club was entertained last Wednesday at the home of Mrs. J. D. Barker.

A plate lunch and coffee was served. Decorations featured the Thanksgiving theme.

Members present were Mesdames Virginia Allen, Hershell Coffee, T. V. Crounse, J. M. Daugherty, Glenn Dowlen, Roscoe Davis, Joe Gibson, Iverson Leake, Ray McReynolds, Milton Morris, Arch Hunsley, John A. Williams, Hud Prichard, L. L. Jones, Tom Knighton and club guest, Mrs. Winfield Miller.

Fashions Program Presented Friday

"Silhouette Story—Inside and Out" was presented Friday morning as an in-service program by Simplicity Pattern Company at the Canyon High School auditorium.

Helen Wright, special field representative for the educational division of Simplicity Pattern Company, presented the program which included modeled fashions for the fall of 1968

by Canyon High School students. Miss Wright paid particular

attention to "linings, interlinings and facings" as she presented her program. She gave important tips on pattern selection, preparation, cutting, marking, and sewing with the new looks in synthetic leather.

She spoke to a group of about 125 high school students, home demonstration members and others.

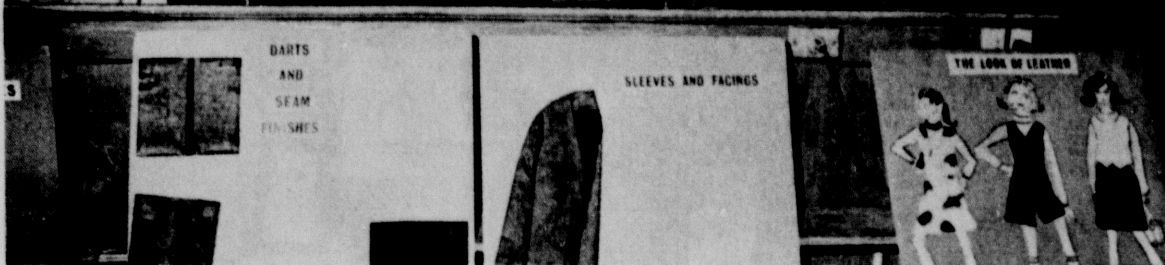

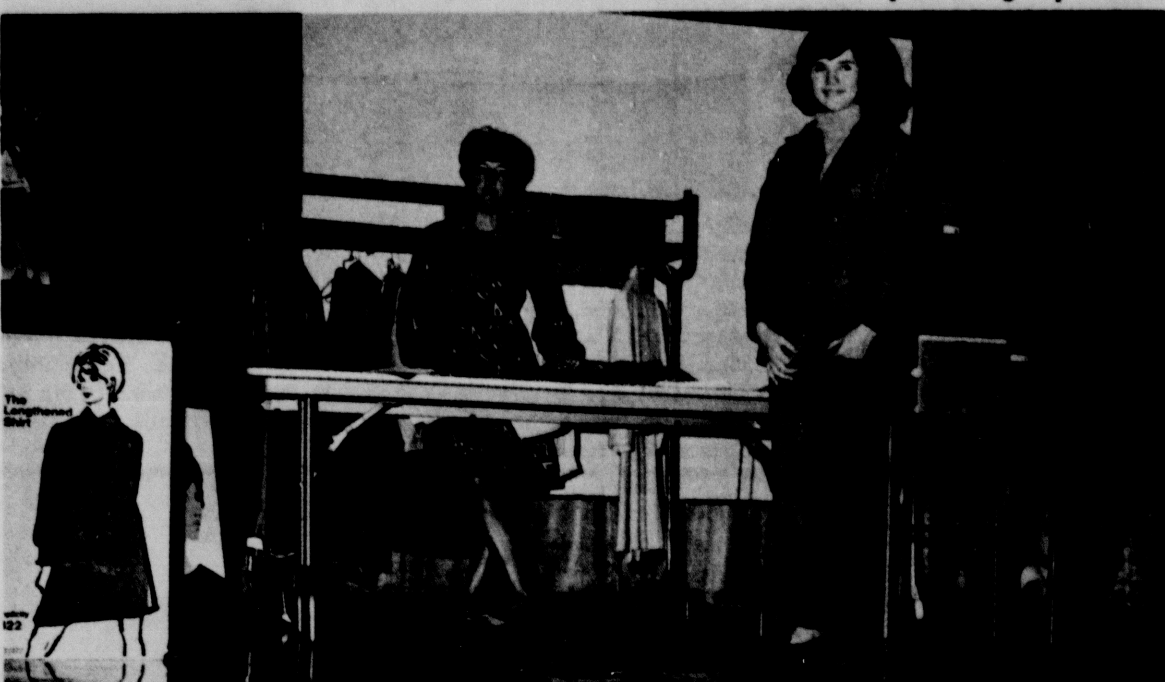

The program was opened with several "how-to-sew" examples being modeled as Miss Wright stated that "prints are good for the beginning student."

She also suggested that patterns for the fall of 1968 have more fit to the figure than in past seasons.

"The updated 30's look is coming back in many fashions," said Miss Wright. "We just have a happy confusion of styles and colors used today."

Modeling for the program were Vickie Starkey, Shirley Evers, Pam Richardson, Jeauritta Honea, Connie Ormsby, Barbara Seymour, Kay Smith and Patricia Burrus.

Sponsored jointly by the Randall County Home Demonstration Council and the home economics groups at Canyon High School, the program and Miss Wright were introduced by Mrs. Becky Hall, home demonstration agent.

HOME ECONOMICS student, Patricia Burrus, demonstrates the new silhouette in pant-styles for women and girls at a program presented by Simplicity Pattern Company Friday at the Canyon High School auditorium. Helen Wright, special field representative for Simplicity, was the guest speaker.

Girlstown Gift Drive Set

"Christmas For Girlstown USA" is a current project of the Palo Duro Mother-in-Law Club in Canyon.

The girl's home, located at

Whiteface, Texas, has an immediate need for wrapped Christmas gifts for girls. All wrapped gifts should have a slip attached naming the article and giving size.

A delivery truck will stop at the home of Mrs. H. E. Campfield, 1005 Fifth Avenue, in early December to collect gifts from Canyon residents.

All residents desiring to participate in the gift drive should bring their packages to Mrs. Campfield before December 1.

The local club will also serve as a collection center for other needs of the girl's home.

Review Program For AAUW Meet

"Zinn Road" will be reviewed by Mrs. Ples Harper following a covered dish luncheon December 7 for the Canyon chapter of the American Association of University Women.

The meeting at 12:30 noon will be in the home of Mrs. Clay Cooper, 418 Thompson Lane.

A RAINBOW MAY BE A DANGEROUS SIGN

If at night you often see a rainbow around the street or car lights, this may be a warning signal of a possible glaucoma. It is only one of the symptoms and is not a positive diagnosis. But to protect against blindness, you should immediately consult a physician.

If the diagnosis is early, many cases of glaucoma can be controlled by weak solutions of miotics, increasing the strength until the best reacting formula is found. When the tension cannot be lessened, immediate surgery may be imperative.

HD Council Plans Christmas Event

Randall County Home Demonstration Council met Monday afternoon at the Farm Bureau Building for end-of-year reports and planning of the council Christmas social.

Mrs. Harry Widick presided at the council meeting as the council's Christmas event was set for December 9 at 2 p.m. in the Youth Activities Building of the First Baptist Church.

The recreation committee, headed by Mrs. Alvin Kuhlman, will have charge of arrangements and attendance pins will be given.

Mrs. Becky Hall, home demonstration agent, reminded council delegates and presidents of the upcoming Home Management course to be given over an Amarillo television station by Mona Hildreth, Potter County HD agent, during January.

Chairman, Mrs. Lewis Tuck, reported that yearbooks for the club members will be available in early January as new officers are installed for each of the clubs.

Reports were also given by the 4-H committee, finance committee and others as the business session concluded.

Golden Spread Home Demonstration Club was hostess club and opened the meeting with plans for the holidays and served refreshments as delegates were dismissed.

Spiritual Sparklers Have Beauty Program

The Spiritual Sparkle group of the Woman's Missionary Society of the First Baptist Church met last Tuesday at the Youth Activities Building.

Mrs. Gene W. Morrison, group leader, presided as the group adopted a motto: "I appeal to you, by all the mercy of God, to dedicate your bodies as a living sacrifice, consecrated and acceptable to God."

Mrs. Eddie Papay gave the calendar of prayer.

The program topic was "The Outer Shine—Our Personal Appearance" which was given in a discussion of a woman's ideal weight, proper dieting for gaining and losing and proper exercise. Highlight of the program was by Mrs. Mary Williams, beauty consultant, who gave a lecture and demonstration of proper facial care.

Plans were discussed for a December Christmas Coffee and a committee for final planning was appointed including Mrs. Robert Splawn, Mrs. Lyndell Moore, Mrs. Laura Harbert and Mrs. Eddie Papay.

Attending were Mesdames Gene W. Morrison, Ray Hawkins, Ivan Sadler, James Malone, Laura Harbert, Eddie Papay, Wm. B. Anderson, Robert Splawn, Mary Williams, Lyndell Moore, Mitchell Jones, W. T. Davis, Leonard Winters, Louis K. Bolton and Mrs. Kenneth Baker.

Kyle Sunderman (22) dribbles out of trouble in the game with the Friona Chiefs Tuesday night. Sunderman sank nine field goals and three free throws to lead his team in scoring efforts.

Sunderman Paces Team

CHS Eagles Humble Friona Chiefs

The Canyon High School Eagles, inspired by the shooting of Kyle Sunderman and Jerry Landrum and the rebounding of Ronnie Hager, scalped the Friona Chiefs 94-66 Tuesday night here.

The Eagles, graced with a few over-six-footers and unmatched speed, took a slim lead in the first period, expanded it in the second, added to it in the third and uncorked it in the final stanza.

Lead in the first period by the scoring of 8 field goals by 6'2" Steve Butler, the Eagles jumped to an easy 23-17 first quarter lead.

Hager, who stands 6'4" and has just-long-enough arms, came into his own during the second stanza, repeatedly blocking attempted field goals by Friona and scoring 10 points.

Friona, during the first half of play, scored many of their points from the charity line and 18 of 33 from the field. They were led during the initial half by Dale Neel who tallied 10 points.

The Eagles abstained from a predicted full-court press during almost the entire game and the Chiefs used it only in desperation.

During the third quarter,

Canyon's Eagles upped their growing lead to almost 20 points with Landrum pumping in 10 from the field. Charity shots were scarce for Canyon during the third stanza.

Again Friona couldn't launch an effective drive.

The Eagles, rather than loosening under the influence of a near-20 point lead, tightened up and made shooting from the floor almost impossible for the Chiefs.

The third period ended with Canyon leading comfortably 74-50.

The fourth quarter got underway with Coach B. B. Kendrick substituting at will. The overwhelming deficit was too much for the Chiefs to overcome and the constant pressure of the spunky Eagles wore the regulars down until the final outcome was more than assured.

Canyon left the floor at the final buzzer holding a 94-66 victory for their first game of this basketball season.

Sunderman, with 21 points, was high man for the Eagles, followed closely by Landrum with 19 and Chris Gerald with 14.

Friona was paced by Neel, with 20 points, followed by Perea with 18.

Other Canyon scorers were Butler and Hager with 12 each, Bobby Martin with 7, Bill Szydoski with 3 and Larry Daniel, John Hodges and Keith Keeling with two each.

Canyon hit 56 percent of its free throws for 18 of 32, while Friona hit 27 of 43 for 63 percent.

Earlier the Canyon Junior Varsity boys whaled Friona B team 42 to 14.

Kelley Tinsley paced his team with 11 points, four field goals and three free throws. Robert

Bull and John Lewis each scored 8 points.

The Eagles invade Phillips Saturday night for a tilt with the Blackhawks. The junior varsity will play at 6 o'clock to be followed by the main event.

Schooner Club Holds Meeting

Presbyterian Schooner's Club met Tuesday evening in the church fellowship hall for a program on Indonesia.

Presenting the program was Edward Schmutzer, professor of government at West Texas State University, who made a recent trip to Indonesia. He discussed the trip and showed various articles brought home.

W. E. Miller is skipper of the club.

Thirty-three members attended and guests were Mr. and Mrs. E. T. Cummings.

Squaws Nudge Canyon

The Friona Squaws came to Canyon Tuesday night with anything but the idea of holding a pow-wow. They hit the war-path but managed to work out only a 47-45 victory over the Canyon Eaglettes.

Early scoring vaulted the Squaws to a tight 7-5 first quarter lead as the Canyon five, coached by Bob Schneider, popped in the free throws.

Jan Sternberg, a Canyon forward, scored the only two-point of either team during the initial period.

The second quarter, however, saw Friona increase their winning margin to 8 points. Sparked by H. Fallwell, a forward who pumped in five field goals

and a free throw, the Squaws led 24-16 at the half.

Miss Sternberg again was Canyon high scorer for the second quarter, hitting six from the charity line.

The third quarter saw Canyon begin to push the tough Squaws. Friona was outscored during that period 12-11, but the push wasn't enough and the third quarter closed with a score of 35-28 showing on the board.

Miss Fallwell sparked the Squaws during the third quarter with close-in lay-up shots totaling six points.

The fourth quarter was all Canyon's. The Canyon High five mustered 17 points, all but one from the field, but

were unable to clamp a lid on the game.

The final gun stopped the action with the score standing at 47-45.

Miss Fallwell was high point girl for the game with 24 points, 20 of which were from the field.

High point girl for Canyon High was Pam Richardson with 13 points, six of them from the field.

Susan Swatzel and Miss Sternberg tied with 12 points each.

Canyon attempted 35 free throws and made 17 for 50 percent. Friona hit a good 64 per cent of their free throws or 18 of 28.

Other Canyon scorers were Linda Rehman with 4 and Judy Davis with 4.

Canyon High School girl's junior varsity lost 31 to 25 to the Friona girl B team earlier Tuesday.

Kim Tucker led Canyon JV scoring with 9 points, 7 of which were scored in the first quarter with three field goals and one free throw.

Friona's Diane Day led scoring in the JV game with a whopping 22 points.

The Canyon girl's varsity will play Quitaque at 6:30 o'clock Saturday evening in the Canyon High School gym.

Two Junior High Teams Have Wins

Canyon Junior High School's 8th and 9th grade basketball teams defeated Alamo Catholic teams Monday night.

The 8th grade won 29-15 with Nancy Boyce high scorer with 22 points.

The 9th grade score was 43-27 with Lynette Slack high with 23 points.

The 7th grade team was defeated by Alamo Catholic 24-8 with Sheila Thompson high scorer with 4 points.

The three girls teams will play their next game Monday against Friona here.

Susan Swatzel (41) passes off the ball as a Friona Squaw comes in to guard her. The Eaglettes lost their game by a heart-breaking two points, 47-45.

Direct Distance Dialing Starts Tuesday For Canyon Telephone Customers

Starting Tuesday, telephone customers in Canyon will be able to dial their own Long Distance calls direct to more than 100 million telephones throughout the United States and Canada.

This improvement in telephone service, at no increase in rates, has taken years of planning and engineering. Miles melt away when you dial someone far-away with DDD... gives you a thrilling sense of nearness.

And when you dial your own Long Distance numbers, calls always go through at low station-to-station rates... about one third less than person-to-person.

HERE'S HOW TO MAKE A DDD CALL...

1. Dial "1"... this connects your phone to the vast DDD network.
 2. Dial the Area Code only if it's different from your own.
 3. Dial the number you want to call... just as you would a local call.
- Suppose, for example, you want to call 825-4199 in Denver. The Denver Area Code is 303 (see the front pages of your directory.) So you'll dial:

$$\frac{1}{\text{DDD Code}} + \frac{3-0-3}{\text{Area Code}} + \frac{8-2-5-4-1-9-9}{\text{Telephone Number}}$$

To make a call within your home 806 area, you will not need to dial the Area Code. To call 364-1000 in Hereford, for example, you would dial:

$$\frac{1}{\text{DDD Code}} + \frac{3-6-4-1-0-0-0}{\text{Telephone Number}}$$

In a few seconds, you'll hear the phone ring in the distant city.

Some Questions and Answers About Direct Distance Dialing

Q—"Will I be charged if I reach a wrong number?"

A—There is no charge for a wrong number. If you get a wrong number, try to find out what city and number you have reached. Then hang up, dial "Operator" immediately and report it to her. She will see that you are not improperly charged for the call.

Q—"Will I be charged if the number I call is busy or there is no answer?"

A—No. Just hang up and try again later. DDD calls are recorded and billed by electronic machines which record only completed calls (when someone answers the distant telephone).

Q—"What if I run into trouble on a call?"

A—Most DDD calls go through quickly, efficiently, and trouble-free. However, if you should be cut off, if you cannot hear well on the connection, or experience any other trouble, please hang up, then immediately dial "Operator" and report it to her. She will take steps to correct the difficulty.

Q—"How do I call collect or person-to-person?"

A—Your DDD calls are station-to-station calls. For other types of calls—person-to-person, collect, credit card calls, those charged to another number, or those from coin phones—dial "Operator." She will handle the call for you.

Q—"How do I get the area code for the city I want to call?"

A—The front pages of your telephone directory have a list of area codes for frequently called cities. Cities called less frequently are omitted to shorten the list and save you time. If you cannot find the area code for the city you wish to call, dial "Operator" and tell her the city you want.

Q—"What if I don't know the telephone number I want?"

A—Just dial "1", plus the area code if it's different from your own, plus 555-1212. The distant information operator will answer. When she gives you the number, jot it down. Then hang up for a few seconds before you dial your call. There is no charge for the call to information.

HOMEMAKER OF THE WEEK, Mrs. Paul Davis, shares the limelight with 14-month-old son, Matthew Christopher. She shares holiday company casserole dishes with our readers this week in addition to a Frozen Fruit Salad to make in advance of the holidays.

Homemaker Shares Quick Holiday Meals

Quick holiday casseroles and
a freeze ahead Fruit Salad are
shared with our readers this
week by Mrs. Paul Davis of
1110 Hillcrest Drive in Can-
yon.

The former Mary Ann Heldt
was raised at Alice, Texas,
about 45 miles west of Corpus
Christi. Her mother, Mrs. Arno
Heldt, and a sister, Grace Po-
gus, still live in Alice. An-
other sister, Ruth Hall, lives
in Dallas and a brother, David
Heldt, is a student at Corpus
Christi.

Mrs. Davis is a graduate
of Alice High School and fin-
ished her degree in business at
Texas A & I in Kingsville. She
plans to continue for a teaching
certificate in business educa-
tion later.

In August 1963, Miss Heldt
and Davis were married. He
is a native of Corpus Christi
and his mother and stepfather,
Mr. and Mrs. B.B. Fowler, live
in Corpus Christi as does a
younger brother, Woody.

He graduated from W.B. Ray
High School in Corpus Christi
and earned the bachelor's de-
gree in government from Texas
A & I. He completed course
work on his master's degree in
public administration at North
Texas State University in Den-
ton.

The Davises moved to Can-
yon in September 1967, where he
is serving as city manager for
the City of Canyon.

She has joined the Canyon
Study Club and he is a member
of the Canyon Chamber of Com-
merce. He is also president
of the congregation at St. Paul
Lutheran Church where the
family membership is. She
also does secretarial work for
the church.

The Davises have a 14-month-
old son, Matthew Christopher.

Both Mary Ann and Paul enjoy
tennis and all types of specta-
tor sports as well as partici-
pating in both water and snow
skiing.

Her recipes for the holidays
include:

FROZEN FRUIT SALAD
2 small cans crushed pineapple
1 can sliced peaches
1/4 lb. marshmallows
1 1/4 cup sugar
1 pkg. unflavored gelatin
1/8 cup water
1/2 cup orange juice
1/4 cup lemon juice
1/4 tsp. salt
1 cup pecans
3 lbs. frozen strawberries
1 pint cream
3 pkg. whipped topping
Drain fruit. Save 1 1/2 cup
pineapple juice. Combine fruit
and marshmallows.

Boil juices and add gelatin
which has been dissolved in the
water. Add other juices, sugar,
salt and chill.

When cool add fruit, marsh-
mallows and nuts. Fold in
whipped cream and topping.

Freeze in molds or coffee
cans. Will keep frozen for about
six weeks.

Excellent to have handy for

holiday gatherings.

GREEN CHILI CASSEROLE
1/4 cup chopped onion
1 can cream of chicken soup
1 sm. can chopped green chilis
1 cup cut-up chicken, cooked
(or two small cans of boned
chicken)
1 soup can water
grated cheese to taste
8-12 tortillas

Fry onion in a small amount
of grease until brown. Add soup,
chilis, chicken and water. Cook
together stirring often until
mixture bubbles.

Remove from heat and set
aside.

Line casserole dish with corn
tortillas. (If tortillas are over
a day old, soften them in a fry-
ing pan of hot grease. Drain
before putting in casserole.)
Spoon chicken mixture over
tortillas until covered and add
a layer of cheese, tortillas,
chicken mixture and ending with
cheese on top.

Heat in 350 degree oven for
20-25 minutes. Serve hot.

**OKRA-HAMBURGER
CASSEROLE**

2 Tbsp. cooking oil
1 box frozen okra
1/2 cup onion, chopped
1/2 cup bell pepper, chopped
1 can tomatoes
1 lb. hamburger meat

Heat cooking oil and add okra,
onion and bell pepper. Simmer
until browned. Add tomatoes
and simmer. Brown meat in
separate pan.

Combine both mixtures and
serve over hot cooked rice.

BUTTERMILK PIE

1 1/2 cup sugar
1/2 cup oleo
3 Tbsp. flour
3 eggs, beaten
1 cup buttermilk
1 tsp. vanilla
9 inch uncooked pie shell

Cream sugar and oleo. Add
flour and eggs. Beat well and
add to buttermilk and vanilla.
Pour into unbaked pie shell and
bake 45-50 minutes at 350 de-
grees.

Makes a crust-top-type of
custard pie.

Sue Hite Club Meets

during the 1941-42 season. Also scheduled to start for West Texas Saturday are 6-2 guard Dale Blaut, 6-2 guard Mike Mitchell, 6-5 forward James McCloud and 6-5 center Gene Murdock.

Mitchell, who averaged 18.9 points per game last season, also sank 118 of 147 free throws for an .803 percentage.

Other Buffaloes who are expected to see considerable action this season are 6-10 center Johnnie Burkhalter, 5-7 guard David Cole, 5-11 guard Ron Howle, 6-3 forward Gale Rhine and 6-5 forward Pratt Lyons.

Lyons, 180-pound sophomore from Dallas, averaged 36 points per game last season on the freshman team.

The West Texas-Weber State contest, which will begin at 8 p.m., will be preceded by a freshman game against Frank-Phillips junior college at 6 p.m. KGNC radio will broadcast the varsity game with Warren Hasse doing the play by play.

"Even if this is approved, it's subject to a lot of study," Smith said. "We just had to make an estimate--we have a lot more studying to do."

Smith said there is only one place between Amarillo and Canyon which is not up to interstate highway specifications. That place is where Hunzley Road, just north of town, crosses the highway.

"But, there are a lot of places between Canyon and Lubbock which are not really full freeway," he said.

vice-presidents elected were Mike Loye of Lawton, Okla., Dr. Paul Taylor of Dallas, Lowell Hamilton of Ft. Worth and Dwight Freshour of North Little Rock, Ark.

A reception was held for the Canyon officers and queen Sunday afternoon in the Randall County Sheriffs Posse club house.

Other members of the local association attending the convention were Mr. and Mrs. Jimmy Plain, Mr. and Mrs. Harley Burrus, Mrs. Clark Jar-nagin, Mrs. R. B. Allen and Lynda Allen who is a student at North Texas State University. Plain is president of the local club.

The local club will elect new officers in December.

and Mrs. Paul Shively--spoke against Randall County involvement.

Mrs. Shively warned that accepting federal money eventually would bring federal control.

Bruce Martin of Datamedia Corporation apologized to the court for shortcomings of his firm in providing assistance during the general election. The county purchased 200 electronic voting machines from the firm with the understanding that sufficient personnel to supervise the vote count for the general election would be forthcoming.

Only one person showed up and he remained for the count only after threat of court action. Martin said his firm is now a Texas corporation and is Dallas based. He promised better service in the future.

Tom Fotheringham and Wayne Bagley appeared in behalf of the developers of Holiday South No. 1, a housing project in the north part of the county.

Commissioners have held up approval of a plat for the project because of a high pressure gas line in the area. The court indicated it would give approval when a plat is submitted excluding the gas line.

Commissioners again discussed furnishings for the new court house annex nearing completion just north of the main court house building in Canyon.

about 132 counties in Texas and has 10 field agents working under the Dallas office direction.

"There is always some speculation that the FBI is a national police force," Shanklin said. "This is not true and we don't want it to be true."

"When you figure that we have about 6,600 agents and the New York City Police Department has more than 28,000 policemen in the city alone, you can understand why we're not a national police force."

Shanklin said FBI powers are those which are allocated to it in the investigative realm by the federal government, that is laws basically involving interstate or foreign commerce.

The FBI doesn't handle narcotics cases, he said. Those are under the jurisdiction of the Justice Department's Bureau of Narcotics and Dangerous Drugs.

"Today there are 180 classifications which the FBI is responsible for handling," he said.

During a brief question and answer period following his speech, Shanklin was asked about recent Supreme Court rulings and their effect on bureau investigations.

Specifically, he was asked about recent Esquibido-Miranda cases.

"We've always had a preamble," he said, which said first, that the suspect didn't have to talk without a lawyer, and that anything he said could be held against him.

This preamble, he said, has been expanded by the recent cases to include telling suspects they can stop talking any time they want, and they have not only a right to attorney, but the court will appoint one.

Shanklin has been agent in charge of the Dallas division about 5 1/2 years and has been with the bureau about 25 1/2 years. He practiced law in Nashville, Tenn., before becoming an agent.

Annual Tour Begins With Concert Monday

Annual concert tour for the University Chorale and the WTSU Brass and Percussion Company will begin Monday with a 1:30 p.m. concert at the Canyon High School auditorium.

Under the direction of Houston Bright, the concert will feature a seasonal repertoire including several numbers for the Christmas season and numerous arrangements by the director who is professor of theory and composition and composer-in-residence at West Texas State University.

The 60-voice University Chorale is composed of the top choral students at the University. The Chorale annually tours the tri-state area for concerts in high schools, churches, public auditoriums and convention halls. It is also frequently heard on local television and radio stations and assists with annual productions of the WTSU Opera Workshop and Musical Comedy Theatre.

Each concert season an instrumental ensemble known as the WT Brass and Percussion Company also makes the annual concert tour. Instrumentation of this group consists of three trumpets, two horns, two trombones, tuba, string bass, tim-

pani and sometimes additional percussion as the group varies from 9-12 players each season.

After the opening concert here Monday afternoon, the two groups will play concerts in Borger and Shamrock High

WTSU Hosts Symposium

The Southwest Pork Symposium will be held on the campus of West Texas State University Dec. 9 with speakers from Canada, Texas, Missouri and Illinois.

The symposium will be held in the Student Union Ballroom. The registration fee is \$3 which includes lunch.

Charles M. Smallwood, head of agriculture at WTSU, will preside over the morning session. Milton England of Panhandle State College will preside over the afternoon session.

The symposium is sponsored by the Farm and Ranch Council of the Amarillo Chamber of Commerce, Panhandle State College, the Pork Chop Club, Texas A&M University, Texas Pork Producers Association and WTSU.

Scout Funds In Counting

Gene McGlasson, district finance chairman for WTSU, reports an early total of \$2,526.16 which has been counted in the Randall District finance campaign for the Llano Estacado Council of Boy Scouts of America.

"This figure represents advanced gifts, sustaining members and the regular campaign," said McGlasson. "We still have a lot of counting yet to do . . . and some yet to be turned in."

Miss Carpenter Named Alternate

Candiss Carpenter has recently been named alternate in the Amarillo Symphony voice auditions, ages 15-17 and received a \$25 gift certificate from Blackburn Brothers in Amarillo.

Miss Carpenter, daughter of Mr. and Mrs. H. K. Carpenter, Jr., southwest of Canyon, will perform with the symphony in March if the winner is unable to perform.

This past summer, Miss Carpenter attended a six week Opera Workshop at Inspiration Point Fine Arts Colony in Eureka Springs, Arkansas under the direction of Dr. and Mrs. Isaac Van Grove.

She performed the lead part of Jennie in "Down In The Valley", Jeanette in "Ten Maidens And No Man" and understudied Despina in "Cose Fan Tutte" and was a member of the onstage chorus for "La Traviata".

Miss Carpenter is a sophomore at Canyon High School and is a member and accompanist for the Mixed Choir. She is a member of the All-Region Choir and organist for the First Christian Church of Canyon.

Color Film Sunday For Methodists

"The Coming of the Stranger," a 30-minute color-sound film, will be shown during the regular evening worship Sunday at the First United Methodist Church of Canyon.

The film will begin a December series of evening worship services related to the meaning and celebration of the birth of Christ.

Produced by the Methodist Church, the film portrays the expectation and fears of six persons as they struggle to discover the true meaning of Christmas. The film features Academy award winner, Anne Revere, and a cast of professional theater and television personalities. At the 1968 International Film Festival, the film won second place in the religious and ethics category.

Other December evening worship services will include an interpretation in dance and drama of the Lord's Prayer; and several Christmas carols on December 8; a special musical program involving the Methodist church choirs on December 15; and an interpretation of the Star of Bethlehem and a candlelight carol service on December 22.

Rev. J. Frank Peery is pastor of the church.
